Subject: RE: Allenco - Compliance status re DOGGR 2/24/14 Letter requirements

Hi Daniel, I'm just following up to see if you have an update you could provide us on AllenCo.

Thank you so much,

Rebekah Reynolds
Assistant Regional Counsel
Office of Regional Counsel
Environmental Protection Agency - Region 9
(415) 972-3916

Hi Jeremy,

I will touch base with staff and try to get you an update by next week.

Dan

Daniel Dudak
Deputy, Southern California District
Division of Oil, Gas, and Geothermal Resources

Our management has asked for information relating to Allenco's compliance with the terms of your department's letter of 24 February 2014. Do you have something that you could please share with us? Sepcifically, are there requirements in the order that are still outstanding? If yes do you have an estimate of when Allenco may complete addressing them and be ready to resume operations?

Thanks in advance,
Jeremy
